TECHNICAL INFORMATION

Color: Light Yellow

Odor: Citrus

pH: N/A

Contains D-Limonene

Citrus Tar and Asphalt Remover is made from derivatives of orange peels **Citrus Tar and Asphalt Remover** has a wide variety of uses ranging from an all purpose cleaner to a heavy duty industrial degreaser. It is also very effective at removing tar and asphalt from hard surfaces such as cement and concrete; sidewalks, street curbs, driveways, vehicles etc.

94% D-Limonene with surfactant. It is combustible and contains no hard abrasives.

DIRECTIONS FOR USE: For Tar and Asphalt removal: (Soaking the concrete surface with water prior to application assists in the removal of the tar or asphalt). Product should be used directly and not diluted in any way. Spray directly onto tar or asphalt to be removed, allow to penetrate for a minimum of 15 minutes, longer for thicker tar or asphalt splash. Rinse with high pressure and butyl based cleaner. Rinse thoroughly.

DO NOT ALLOW TO DRY ON SURFACES. ALWAYS RINSE THOROUGHLY. WARNING: Avoid contact with skin and eyes. Use with adequate ventilation. OSHA requires use of skin and eye protection. For industrial use only.
