**Makes 275 Gallons of Concentrate
or 550 Gallons of RTU**

- Weighs 450 lbs.

11110-10DK **10 Drum Kits**

**Makes 550 Gallons of Concentrate
or 1100 Gallons of RTU**

- Weighs 925 lbs.

DILUTION RATE:

Product to Water ratio of RTU

HOT WATER 1:100

COLD WATER 1:50

Effective in hard water up to 20 grains

TECHNICAL INFORMATION

Color: Dark Brown

Odor: Characteristic

pH: 13+

Contains Sodium Hydroxide

P-100 is one of the most popular truck wash concentrates in the industry.

Used as directed, **P-100** will clean painted surfaces without damage.

P-100 excels at removing carbon stack stain and magnetic road film from tractors & trailers inside and out without brushing.

P-100 will work in cold water as well as hot water, and rinses free at any temperature.

P-100 will clean aluminum surfaces and is designed for heavy-duty truck washing.

P-100 can be used in drive through truck washes or with pressure washers.

Do not use on polished/anodized aluminum or poly sealed surfaces. Do not used on painted surfaces at concentrations of less than 1:40 Do not allow to dry on surfaces, keep wet and always rinse thoroughly.
