

**SUTTON**  
*System Sales, Inc.*

## **Rust Converter**

Rust Arrest chemically neutralizes rust and converts the rust to a black protective finish. It seals, prolongs, and protects the life of ferrous metal all while eliminating the need for brushing, sandblasting, or scaping before painting rusted surfaces.

### **Rust Converter**

- Stops Corrosion
- Eliminates Rust and Prevents Future Rusting
- Seals and Converts Rusted Surface into Paintable Area
