Trail Blazer is designed to be used as a caustic type general cleaner and degreaser. This product can be used to clean table tops, counter tops, tile, concrete, vinyl, plastic, door jams, engines, engine compartments and is especially well suited for cleaning white walls and tires. **Trail Blazer** will truly whiten white walls and blacken black walls. **Trail Blazer** will not leave residue on surfaces after cleaning.

With regular washing, it will keep your dirty, greasy areas looking nice for years to come. Never before has there been a product that performs as well as **Trail Blazer**.

When used as directed, **Trail Blazer** will not harm or damage any surface that is water safe. This is a maintenance product and therefore will not repair damaged surfaces. When used on a regular basis, your surfaces should last for years without showing signs of deterioration that our hostile atmosphere will normally cause.
